

Corporate Work Session

# Fintech Ecosystem Deep-dive

Creating the financial  
services of tomorrow

## What it is

Half-day workshop for corporate teams seeking innovation insights, fintech partnerships, and clearer insights into the major fintech trends that will shape financial services.

## Who is it for

Business teams and C-Level executives from financial institutions seeking insights on how to position their organization at the forefront of fintech innovation.

# Session Structure

Move beyond theory by exploring relevant topics tailored to your organization.  
 Personalize the workshop with real fintech examples and engage with two fintech companies for practical insights.

## I. Portuguese and European Fintech Landscape

## II. Deep Dive in Fintech Trends and relevance for the financial sector

## III. Real cases of collaboration between fintechs and incumbents in Portugal

## VI. Guest Fintechs and Q&A Sessions with 2 fintechs related to topics relevant to the institution (example)

## VII. Fintech House tour and understanding of startup growth and ecosystem players

SME Banking	Financial Literacy
Crypto & CBDCs	Open Finance
Open Banking	Embedded Finance
Martech & Fintech	ESG
